

We would like to introduce ourselves as a Indian Handicrafts Manufacturer and Exporter includes Metal Handicrafts, Wooden articles, Corporate gifts, Flower pots, wall Hangings, Smoking pipes and Nautical items. We are based in Moradabad which is known for its incredible art on metals mainly on brass metal; hence it is also called Brass City by our buyers around the globe.

We are supported by a team of creative artisans, which hold expertise in designing and bringing forth alive these magnificent pieces of art. Our experts utilize their artistic brilliance, due to which we are able to offer customers these absolute masterpieces. All our products are crafted by the experts using eco-friendly and safe material for contributing towards environment.

Moreover, all our products are provided to the clients in qualitative as well as attractive packaging so as to ensure safe transit. Every expert of our firm makes apt use of available resources to bring a touch of classy craftsmanship for the clients. Due to sophisticated infrastructure facility and deft workforce, we have gained the faith of numerous patrons, based in different parts of UAE, U.K., Europe, South Africa and USA.
